

A hand-drawn illustration of a pair of headphones in a vibrant yellow color against a black background. The headphones have a large, circular earcup on the right side with a mesh-like texture and a small black circle in the center containing three yellow dots. A thick yellow cord loops around the top and connects to a rectangular headband with two circular ear hooks. On the left side, there is a rectangular connector with three prongs extending upwards. The text "I can't hear you ..." is written in a yellow, handwritten font across the center of the image, overlapping the headphones and the cord.

I can't
hear
you ...

... because I don't want to.
